

School Pictures Online Order Email

Dear Parents,

While this school year may look a little different, Photo Texas Photography is still committed to helping you capture your student's most important moments! We will photograph both On-Campus and Virtual Students! Instructions for virtual students will be provided closer to Picture Day.

Picture Day is [Tuesday, January 19, 2021](#), and we've gone paperless! No more picture day flyers or camera cards! Online orders will be mailed directly to the address provided, NOT to your student's school!

All orders are prepay. We do not email proofs.

Please click the link below, and follow the directions to help your school with one of its main fundraisers!

[Order School Pictures NOW!](#)

1. Type your school name in the search bar at the top of the page and hit enter. (You can also click on the month your school's photos are being taken and find your school within the list.)
2. Click on the logo or View Gallery.
3. Enter your email address, and begin your order!

The Prepay Link will only be available for **ONE WEEK** after Picture Day. After that, you will need to call or email [Customer Service](#) for help with late orders. So, place your order today!

We know that every student in front of our camera is the most important child in the world to someone. We look forward to photographing yours! Thank you for the opportunity!
